English translation of Terms of Contract for Secondary School

1. Preface and basic terms

Cantaleum Zurich (hereafter also “the school”) offers academic and musical education in the same institution. Lesson plans at Cantaleum Zurich follow the educational guidelines set by the Canton of Zurich, with additional enrichment in the school subjects of music and English. Lessons and school life are conducted bilingually.

The teachers employed by the school are certified through teaching diplomas that are recognised by the Office of Elementary Education of the Canton of Zurich (German: *Volksschulamt des Kantons Zürich*). When necessary, teachers receive additional support through qualified educational assistants. Class composition is determined by the school, with educational and practical considerations as priorities. Therefore, the school does not place students with specific teachers according to the wishes of students or parents/guardians.

As Cantaleum is a day school, students are supervised and given instruction from 7:00 to 18:00. Students receive a hot lunch, as well as two snacks during recesses. When students are not in lessons, they are supervised and led in activities by qualified day care staff and day care assistants.

The start date of the school year and the dates of school holidays and statutory holidays are set according to the public school calendar of the Canton of Zurich.

2. Scope of school contract

The terms of contract and the corresponding fee schedule are integral parts of the school contract, which shall be signed by all the parties named in the contract.

3. Tuition

The costs of tuition and other fees are presented in the fee schedule included with the contract. Tuition covers one school year (August 1st to 31st July). Tuition fees must be paid in

advance. The school reserves the right to make changes to tuition fees and other fees for the subsequent school year.

Personal vacations, absences due to illness/accidents, and other interruptions to school attendance do not result in the reduction or refunding of school fees (including tuition fees, additional fees, holiday activity fees, and school bus fees).

If the student enrolls at Cantaleum Zurich after the start of the school year, tuition will be pro-rated, rounding to the month.

Should a student withdraw from the school during the school year without providing notice of withdrawal as outlined in section 5 of this document, school fees (including tuition fees, additional fees, holiday activity fees, and school bus fees) must be paid by the end of the regular withdrawal period at the latest, regardless of the reason for withdrawal. If fees have been prepaid for the period after the withdrawal period, these fees shall be refunded by the school. If a student is asked by the school directors to leave the school, separate rules apply, as outlined in section 5.1 of this document.

Participation in either the Zurich Boys' Choir (German: *Zürcher Sängerknaben*) or Zurich Girls' Choir (German: *Mädchenchor Zürich*) is mandatory for all students at Cantaleum. The fees for these activities are presented in the enclosed fee schedule and shall be paid directly to either the Zurich Boys' Choir or the Zurich Girls' Choir, respectively.
